Exam*

In California, ethics  
exam results are valid  
for no more than two  
years and candidates  
can take the exam  
before or after passing  
the CPA exam. Most  
candidates take the  
ethics exam at the end  
of the process, but if  
you plan to take it

As with every other state, all would be required to finish their 150-hour requirement, pass the exam and have a year of experience before being licensed. The bill also eliminates the extra year of experience penalty impacting anyone who starts taking the exam prior to meeting the 150-hour requirement.

The education and experience requirements to sit for the licensing exam vary by state, so check with your state's board of accountancy for more information.

When you've met the requirements, prepare and register for the exam. You must pass the exam in order to receive your license.
